

# COVID-19 Level 3 Playing Procedures

---

**These procedures below won't come into effect until we move to Level 3 on Wednesday 1 September 2021.**

**The course will be open daily for MEMBERS ONLY to play within their “lockdown bubbles”. No green fee or member's guest players are allowed at this level.**

The intention of these procedures is to ensure physical distancing, enable contact tracing, maintain COVID-19 hygiene protocols, comply with our health and safety plan, and prevent any congregation on the course. These procedures will change again when we move to Level 2.

1. **Members will need to have a prior booking** for the course for access to these facilities. If you are coming to play, please don't arrive more than 5 minutes prior to your start time. You must leave the club as soon as your round has finished.
2. **Hand sanitiser** (provided at the entrance in front of the office) **must be applied** when you arrive and leave the club.
3. **The clubhouse, deck and washdown areas will be closed to members.**
4. **Everyone must sign in** by either recording their visit using the NZ COVID Tracer app or signing the login sheet at the entrance. This is so we can meet the contact tracing and COVID-19 safety plan requirements.
5. **Only one “lockdown bubble” per tee time**, which means most players will be playing solo. Up to four players can tee off the same tee time provided they are all from the same “bubble” and all members. You can't play with anyone from another “bubble”.
6. **All bookings must be made in advance** via DotGolf (<https://www.golf.co.nz>) by the “bubble” leader or by phoning the office (03 329 6710) which will be staffed from 8.30am – 5.00pm each day. **Online bookings will open two days prior to the booking date.** Any existing bookings will be deleted.
7. If you come across someone from outside your “bubble”, keep at least 2 metres away. **Avoid touching course fixtures** (e.g. drinking fountains and ball washers). Pins will not be on the course, please do not putt your ball into the hole. There will be no bunker rakes and bunkers must be treated as GUR.
8. **Playing times.** All tee times will be 9 hole slots from 8:30am – 3:00pm, all at 6 minute intervals and off tee 1 only. No players to start after 3:00pm.
9. **No score cards will be available** and no scores can be entered into DotGolf during Level 3.

10. If there is a **frost delay** on any day, the bookings affected will be cancelled by the office with an email notification sent to those affected. There will be no alternative frost delay slots. Please ensure your details are up to date on dot golf.
11. In the interests of giving all members a fair chance of access, **you can only make one tee booking/bubble/day**. Please restrict your tee bookings to **no more than four times/week/bubble** while we are in Level 3.

## **Any existing bookings will be deleted and have to be remade**

### **How to make a course booking**

1. All course bookings must be made either online via Golf NZ (<https://www.golf.co.nz>), the DotGolf app or by phoning the office (03 329 6710) during opening hours.
2. Booking slots will be available each day: 8:30am – 3:00pm for 9 holes.
3. There will be just one slot displayed per tee time for the “bubble” leader to enter their name on behalf of their “bubble” group. A “bubble” can consist of 1–4 players who must all be from the same “bubble” and also all be Tai Tapu members. No green fee or member’s guest players allowed.
