

Tai Tapu is now reopen to Green Fee players as well as members but all people can only play with a booking – no booking – no play.

Please book either online or by phone.

Scorecards will be available to be printed by the administrator – (office is still out of bounds) or you can use your digital scorecard

Wednesday, Saturday and Tuesday golf is going to look very different

We are going to have 6 minute spacing between start times. We will need names in to the office by 2pm the day prior. Either ring the office on 03 329 6710 or 027 224 8487 or email as admin@taiatapugolf.co.nz. Names will be collated and then draws will be done by either the administrator or the group convenor. The draw will appear on dot golf which you can see when you go to **book a tee**, it will also be sent out to your email by the convenor.

You can only come up to the club house 5 minutes prior to your tee time. Please stay in your car until your time is due. Wear your mask to collect your cards. You must either scan the QR code or sign-in on the sheet. There are no practice areas open.

At the conclusion of your game please put your card in the slot in the foyer and then leave, I know it is very sad, results will be on dot golf as soon as cards are entered.

All of this is being done for your own safety. Hope for better days in a couple of weeks.
